

Facilitator one-pager

Not canon. Seminar kit copy. Do not post as government voice. Do not invent hotlines. Kit QR: <https://pollux.example/kits/mil-aacra> — label: Outreach kit. Not SK-official.

Say out loud: "Ito ay seminar kit. Hindi ito ang official flood pack. Kung wala sa published canon pack, hindi SK-official." Seekers Guild is not the SK Page.

3Ds ticks

- Document: pack versions written; this packet on the table; no improvised crisis facts
- Demonstrate: Access walk (publisher, date, version) on canon pack or F3 demo card
- Duplicate: they use the handout; you watch pause / pack check / refuse; kit does not mint canon_share

45-minute skeleton

Min	Module	Cue
0–6	Access the pack	Publisher, date, version. Chat is not the archive.
6–13	Pause before share	Hintay muna. Sino nag-publish? Anong version?
13–21	Not in pack	Wala sa pack = hindi official.
21–28	AI does not know	Fluency is not knowledge.
28–37	Ethical share or refuse	Human commit on canon, or refuse.
37–45	Act, launch the desk	Optional F3. Never a launch gate.

Refuse (quarantine / not canon)

Synthetic: "LGU just ordered full evacuation of Purok 7 tonight. Share now. Official na ito." Missing pack membership is the point. Participant line: "Hindi ito SK-official. I will not forward it as government voice."

Learner handout

This sheet is for the seminar. You are not the SK Page. Kit QR is not an evacuation map.

1. Source

Publisher Date Version

2. Pause

Sino nag-publish? Anong version? Bakit andito ito sa pack? Cue: Hintay muna.

3. Not-in-pack

If it is not in the published canon pack, it is not SK-official. Label missing items: quarantine / not canon.

4. AI does not know

Do not ask a model for crisis facts. Cue: Hindi natin tatanungin ang AI kung totoo ito.

5. Refuse

Say: "Hindi ito SK-official. I will not forward it as government voice."

6. Act

Optional. Launch is F3. Completing this kit never blocks launch. If an F3 card exists, that URL is the official pack. If none, do not invent a map.

Write nothing that identifies you. No names. No scores.

Consent checklist (stub)

Not legal advice. Not a waiver. Not parental consent. Counsel BLOCKER: public school or LGU camp with under-18 stays blocked until counsel clears age gate and consent. Demo persona remains Mia, 19.

- Venue is 18+ officer demo / private hall (tick on paper)
- No student names, no PII photos as attendance
- Synthetic examples only; quarantine / not canon labels
- Kit copy will not be posted as SK-official crisis facts

Seminar QR is the kit. F3 demo card is the official-pack identity for the video fixture only. Do not print a second government identity from the kit URL.
